OPERATION ENCOMPASS INFORMATION

The original initiative was aimed at supporting children who are affected by domestic abuse. The next part of the project will help all children to learn about friendships, relationships, emotions and rules so that they can live and work together safely.

Operation Endeavour- This is an innovative project in which schools and colleges in Northumberland are participating, and which is run in partnership with Northumberland County Council and Northumbria Police.

Operation Endeavour commenced in November 2018, aims to support children and young people who go missing from home. Children who go missing from home are at risk of significant harm and they may be vulnerable to sexual exploitation, violent crime, gang exploitation, or to drug and alcohol misuse.

As a result, following any report of a child going missing to the Police, the Police will make contact with Children's Social Care who will then communicate relevant and necessary information to nominated school staff.

Each school has members of staff (key adults) who have been fully trained in liaising with the Police and Children's Social Care when required, and will ensure that the necessary support is made available to the child or young person following their return.

I believe that this project demonstrates our school's commitment to working in partnership to safeguard and protect children, and to providing the best possible care and support for our pupils.

Onecall

Onecall is the number for all adult social care, children's services and community health enquires in Northumberland. Helping the most vulnerable to keep safe and well 24-7.
