100% Attendance Incentive

We have decided to introduce an incentive for any child achieving 100% attendance. Each half term, anyone with 100% will be entered into a prize draw to win a £50 supermarket voucher.

PE Kits/Jewellery

Please ensure your child comes to school in their PE kit on their PE days and everything must be labelled. We ask that jewellery be kept to stud earrings only, no hoops allowed. Earrings are to be removed for PE/swimming. They will need to be removed before school please if your child is unable to remove them themselves, thank you.

Friends of Grange View – PTA

As our Year 4 children have now moved on to middle school, we have also lost a few of their parents as members of our PTA. We are looking for some new members to join please. If you have some time to spare to help out with things such as setting up for school fairs, running stalls, bingo, fundraising, or just giving a little bit of your time to share your creative ideas please get in touch. Our first meeting is Tuesday 26th September at 5.00pm in school.

Is my child well enough for school?

We want every child to have 100% attendance and anything below 97% will result in our new attendance procedures starting with the support of the Education Welfare officer.

OPERATION ENCOMPASS INFORMATION

The original initiative was aimed at supporting children who are affected by domestic abuse. The next part of the project will help all children to learn about friendships, relationships, emotions and rules so that they can live and work together safely.

Operation Endeavour - This is an innovative project in which schools and colleges in Northumberland are participating, and which is run in partnership with Northumberland County Council and Northumbria Police.

Operation Endeavour commenced in November 2018, aims to support children and young people who go missing from home. Children who go missing from home are at risk of significant harm and they may be vulnerable to sexual exploitation, violent crime, gang exploitation, or to drug and alcohol misuse.

As a result, following any report of a child going missing to the Police, the Police will make contact with Children's Social Care who will then communicate relevant and necessary information to nominated school staff.

Each school has members of staff (key adults) who have been fully trained in liaising with the Police and Children's Social Care when required, and will ensure that the necessary support is made available to the child or young person following their return.

I believe that this project demonstrates our school's commitment to working in partnership to safeguard and protect children, and to providing the best possible care and support for our pupils.
