- Staffing may change across the school depending on any absences but at this point in time all classes can remain open.
- We encourage parents onsite to continue to wear a MASK until at least Feb half term when we will review restrictions
- Visitors in school continue to wear a MASK on site.
- The OUTBREAK PLAN ends in school as less than 10% of pupils and staff at present with COVID.
- Mixed Classes/ Year groups go back together
- Lunchtime and Breaktimes back to normal
- After school clubs back on from Monday 31st Jan
- Swimming as normal
- Breakfast club open as normal
- Office hours 8.30-5pm Mon, Wed/Thurs- 8.30-4.30pm and 8.15-2.45pm Tues/Fri for Mrs Burt
- **** We would like Year groups to continue to line up separately at the moment as this makes arrive in the school building easier and give teachers time to reinforce prior learning****

We still request 2 negative lateral flow test results for your child to return to school before the end of any isolation period.

NUMBER DAY-NSPCC

Mrs Chapman our maths Coordinator has arranged for us to take part in Number Day on Friday 4th Feb to support the NSPCC. Each class will be taking part(even the Y4's for some activities) and having number fun across the day. All we ask is that your child comes to school wearing something with numbers or something we can count, in return they donate £1 to the NSPCC charity. Please just send £1 cash in and Mrs Burt in office will sort out our donation to the charity. Thankyou.

We are looking forward to taking part and taking lots of photos to share with you.

Bikeability

4th Feb Y4 will be taking part in a Bikeability session with The Cycle Partnership. They all need to bring their bikes and a helmet to school that day along with wearing appropriate clothing

Year 4 Residential

Please read separate letter sent out yesterday.

BIG BIRD WATCH

Like the RSPB, we're passionate about getting children outside and experiencing nature first-hand. From your garden to special places further afield, it would be great if you could complete the BIG Garden Birdwatch at some point this weekend. Each child has been given a recording sheet to ideally complete between 26th and 28th January. Just set aside an hour of time to record which birds you see, then bring in your results to school for us to log all the entries. There will be dojos available and a prize draw.

School Lottery

Check out the prize details at the end of this letter. Win a STAYCATION!!!!

BREAKFAST CLUB

We would love to find out who would want to access Breakfast Club earlier in the morning from possibly 7.30am for working parents. There would need to be an increase in charges but we need to gain further information from our families first. Please complete the Google Questionnaire on its way to you all . PLEASE CAN ALL COMPLETE ASAP. Thankyou.

SCHOOL UNIFORM

We have mountains of second hand good quality uniform FREE to anyone who needs a couple of extra sweatshirts . Please let the office know if you need anything.

Nursery places

We are filling up fast for future years and need to know which families need a place as we do not want to turn anyone away. Instead we would hope to employ additional staff to allow every child a place in the next 3 years.

Please share this information with anyone who has a child coming up to the age of 3. All information is on the school website or call the office and we are happy to help. Thankyou.

FREE SCHOOL MEALS -Please apply for Free school meals if you think you meet the criteria as this would entitle your child to a free school lunch, free milk and many more other benefits in school.

Inclement weather

During these cold and rainy mornings the school drop off and pick up times remain the same. So we encourage you to arrive on time.

If you arrive early you may get wet and cold! Children will be escorted into school as usual by the class teacher, so please don't try to come into school early. Doors will only open at 8.45am in severe weather.

In the case of school closure due to severe weather please always check school website, Face Book page, Northumberland County Council Website and listen to Radio Newcastle. The school will also use the Text2Parents Messaging Service.

Stars of the Week:

ATTENDANCE -The most important message is children should be in school as much as possible as every day that a child misses school, for whatever reason, they miss out on vital learning. Obviously COVID is having an impact on attendance and the data.

Week ending: 28.1.2022

Well done to Willow.Class who won again this week with 98.1%

Our school target continues at 97%

Kind Regards,

OPERATION ENCOMPASS INFORMATION

The original initiative was aimed at supporting children who are affected by domestic abuse. The next part of the project will help all children to learn about friendships, relationships, emotions and rules so that they can live and work together safely.

Operation Endeavour- This is an innovative project in which schools and colleges in Northumberland are participating, and which is run in partnership with Northumberland County Council and Northumbria Police.

Operation Endeavour commenced in November 2018, aims to support children and young people who go missing from home. Children who go missing from home are at risk of significant harm and they may be vulnerable to sexual exploitation, violent crime, gang exploitation, or to drug and alcohol misuse.

As a result, following any report of a child going missing to the Police, the Police will make contact with Children's Social Care who will then communicate relevant and necessary information to nominated school staff.

Each school has members of staff (key adults) who have been fully trained in liaising with the Police and Children's Social Care when required, and will ensure that the necessary support is made available to the child or young person following their return.

I believe that this project demonstrates our school's commitment to working in partnership to safeguard and protect children, and to providing the best possible care and support for our pupils.
