NSPCC Numbers Day - Thursday 9th March

We love maths at Grange View so wanted an opportunity to show you all how much fun we have with numbers. In collaboration with the NSPCC we are inviting parents into school on our Numbers day on Thursday 9th March. During the day will be doing lots of fun mastery activities, listening to maths themed stories and are invited to dress up representing numbers or anything maths related (e.g. shapes).

Parents of children in Oak, Beech, Chestnut and Willow are invited into class from 11-12 to see what materials we use to help with our maths and play some games. We will also be holding a stay and play for Acorns that morning, please check dojo for a message from Mrs Waters about the timing of your slot.

OPERATION ENCOMPASS INFORMATION

The original initiative was aimed at supporting children who are affected by domestic abuse. The next part of the project will help all children to learn about friendships, relationships, emotions and rules so that they can live and work together safely.

Operation Endeavour - This is an innovative project in which schools and colleges in Northumberland are participating, and which is run in partnership with Northumberland County Council and Northumbria Police.

Operation Endeavour commenced in November 2018, aims to support children and young people who go missing from home. Children who go missing from home are at risk of significant harm and they may be vulnerable to sexual exploitation, violent crime, gang exploitation, or to drug and alcohol misuse.

As a result, following any report of a child going missing to the Police, the Police will make contact with Children's Social Care who will then communicate relevant and necessary information to nominated school staff.

Each school has members of staff (key adults) who have been fully trained in liaising with the Police and Children's Social Care when required, and will ensure that the necessary support is made available to the child or young person following their return.

I believe that this project demonstrates our school's commitment to working in partnership to safeguard and protect children, and to providing the best possible care and support for our pupils.
