We aim to SPARKLE!

Dear Parents / Carers

11th February 2022

Safer Internet Day

We had fantastic fun learning all about Internet safety on Tuesday this week. Check out our photos on the school Facebook page.

COVID RESTRICTIONS EASING

After half term parents will longer be required to wear masks on school site and we will be reviewing our Risk assessment when we receive further information from NCC. Fingers crossed we can have parents/carers back in the building soon for our Friday Family Worship and to celebrate Easter ! We cant wait to have everyone back together soon.

Parents Consultations

After half term we will be holding our Parent Consultations week beginning March 14th. Over that week you will be offered a 10 minute Progress Consultation about your child. We hope to offer face to face but please be aware if this is the case you may be asked to wear a mask inside the building as teachers will be meeting lots of parents across the week. You may also be asked to wait outside the building until it is time for your appointment. Otherwise it will at this point in time continue to be a phone call consultation. Thankyou.

School Lottery

Check out the prize details at the end of this letter. Win a STAYCATION!!!!

2 Year Old Provision

Miss Adams and Mrs Laskey are currently investigating the possibility of 2 Year Old provision in our unit. In order for it to be possible we need to know if we have enough children in the village to access it and provide the funding to employ additional staff. A google questionnaire has been sent home to all families, please feel free to share this information with other families in the village . Thankyou

Nursery places

We are filling up fast for future years and need to know which families need a place as we do not want to turn anyone away. Instead we would hope to employ additional staff to allow every child a place in the next 3 years. Please share this information with anyone who has a child coming up to the age of 3. All information is on the school website or call the office and we are happy to help. Thankyou.

FREE SCHOOL MEALS -Please apply for Free school meals if you think you meet the criteria as this would entitle your child to a free school lunch, free milk and many more other benefits in school. The link to apply is: <https://www.northumberland.gov.uk/Education/Schools/Meals.aspx>

During these cold and rainy mornings the school drop off and pick up times remain the same. So we encourage you to arrive on time.

If you arrive early you may get wet and cold! Children will be escorted into school as usual by the class teacher, so please don't try to come into school early. Doors will only open at 8.45am in severe weather. In the case of school closure due to severe weather please always check school website, Face Book page, Northumberland County Council Website and listen to Radio Newcastle. The school will also use the Text2Parents Messaging Service.

OPERATION ENCOMPASS INFORMATION

The original initiative was aimed at supporting children who are affected by domestic abuse. The next part of the project will help all children to learn about friendships, relationships, emotions and rules so that they can live and work together safely.

Operation Endeavour- This is an innovative project in which schools and colleges in Northumberland are participating, and which is run in partnership with Northumberland County Council and Northumbria Police.

Operation Endeavour commenced in November 2018, aims to support children and young people who go missing from home. Children who go missing from home are at risk of significant harm and they may be vulnerable to sexual exploitation, violent crime, gang exploitation, or to drug and alcohol misuse.

As a result, following any report of a child going missing to the Police, the Police will make contact with Children's Social Care who will then communicate relevant and necessary information to nominated school staff.

Each school has members of staff (key adults) who have been fully trained in liaising with the Police and Children's Social Care when required, and will ensure that the necessary support is made available to the child or young person following their return.

I believe that this project demonstrates our school's commitment to working in partnership to safeguard and protect children, and to providing the best possible care and support for our pupils.
