**GEOGRAPHY THEMED WEEK**

As a staff we have decided to give every subject its own spotlight. Previously, we have had European languages day and Interfaith week this year. On the last week of term we will be having a Geography week, where the children will be focussing on a specific continent, learning about its culture and traditions. This will result in a fabulous fashion show on the Friday. We would like to invite parents in to school to help with our crafty projects on the following days:

Tuesday 14<sup>th</sup> February – Oak class parents are invited in from 2.30pm

Wednesday 15<sup>th</sup> February – Beech class parents are invited in from 1.30pm

Thursday 16<sup>th</sup> February – Chestnut and Willow class parents are invited in from 1.30pm

Friday 17<sup>th</sup> February – all parents are invited to watch the fashion show in the hall at 2.30pm

We are very excited to continue to have parents in school and showcase our wonderful curriculum and children's achievements. Hope you can join us.

**WORLD BOOK DAY - Thursday 2nd March**

We always enjoy dressing up and embracing our love of reading at Grange View. This year, we have arranged for a local author to come and run forest school inspired sessions with each of the classes based on her woodland themed stories. As a result, we are asking all children to come dressed this year as an animal from a story they enjoy. As always, they can bring in their favourite book, and parents are invited into school at 2.30pm to find out in the hall what they have been doing with the author.

**NSPCC Numbers Day - Thursday 9th March**

We love maths at Grange View so wanted an opportunity to show you all how much fun we have with numbers. In collaboration with the NSPCC we are inviting parents into school on our Numbers day on Thursday 9th March. During the day will be doing lots of fun mastery activities, listening to maths themed stories and are invited to dress up representing numbers or anything maths related (e.g. shapes). Parents of children in Oak, Beech, Chestnut and Willow are invited into class from 11-12 to see what materials we use to help with our maths and play some games. We will also be holding a stay and play for Acorns that morning, please check dojo for a message form Mrs Waters about the timing of your slot.

### **OPERATION ENCOMPASS INFORMATION**

The original initiative was aimed at supporting children who are affected by domestic abuse. The next part of the project will help all children to learn about friendships, relationships, emotions and rules so that they can live and work together safely.

**Operation Endeavour** - This is an innovative project in which schools and colleges in Northumberland are participating, and which is run in partnership with Northumberland County Council and Northumbria Police.

Operation Endeavour commenced in November 2018, aims to support children and young people who go missing from home. Children who go missing from home are at risk of significant harm and they may be vulnerable to sexual exploitation, violent crime, gang exploitation, or to drug and alcohol misuse.

As a result, following any report of a child going missing to the Police, the Police will make contact with Children's Social Care who will then communicate relevant and necessary information to nominated school staff.

Each school has members of staff (key adults) who have been fully trained in liaising with the Police and Children's Social Care when required, and will ensure that the necessary support is made available to the child or young person following their return.

I believe that this project demonstrates our school's commitment to working in partnership to safeguard and protect children, and to providing the best possible care and support for our pupils.
