

Useful words

Help – doing something kind for someone who needs it. You make things easier for them.

Police – police are grown-ups who help keep people safe. They make sure everyone follows the rules.

Fire service – the fire service is a group of helpers who put out fires and keep people safe.

RNLI – the RNLI is a group of helpers who go out in boats to save people in the sea. They help anyone who is in trouble in the water.

Dentist – a dentist is a helper who looks after your teeth. They make sure your teeth are clean, healthy, and strong.

Healthy – healthy means your body feels good and strong. You eat good food, play, and rest so you can grow.

Emergency – an emergency is when something happens and you need help quickly.

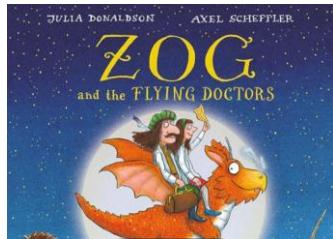

Safety – safety means keeping your body safe so you don't get hurt. It's when you follow rules that help you stay okay.

Dear Parents,

This half term our topic is 'Our Heroes'. The children will learn about the roles of people within their local community who are trusted adults.

Our recommended read:

This half term '**ZOG and the flying doctors**' will be available at the library or in school for you to borrow and share at home.
