

Dear Parents,

The final half term of the year will be a great one. We are going to be learning all about transport through time in our Travellers Tales Topic. The children will learn about the village of Widdrington Station and how transport has not only changed over time but also shaped the world we live in.

We will also be learning about healthy lifestyles within science alongside this.

Miss Darlow and Miss Conroy

Our recommended read:

We will be looking at lots of information texts in school this half term but some great read for at home are 'Emma Jane's Aeroplane by Katie Haworth and Daniel Reiley Or Little People Big Dreams- Amelia Earhart.

Summer 2

George Stephenson

George was an engineer that worked in the railway a long time ago.

Amelia Earhart

Amelia Earhart was the first woman to fly across the Atlantic.

James Starley

James invented the Penny Farthing- a very special type of bicycle.

How do you get to school? Do you **travel** in the car, bus or walk?

How many different types of **transport** have you been on?

How do you think people got from place to place in the **past**?

If you could go anywhere in the world, where would you go?
How would you get there?

What do you think **transport** will look like in the future?

Useful words

Transport- To move something from one place to another.

Travel- A journey from place to place.

Past- Something that has already happened. It can be a long time ago, a day ago or seconds ago.

Technology- Technology is the use of knowledge to invent new devices or tools. Throughout history, technology has made people's lives easier.

Inventor- Someone who comes up with new ideas and can make new inventions.

Improved- Got better. Developed.

Monday- PE day- Wear your PE kit to school
