# Part A: Pupil premium strategy plan

## Statement of intent

*At Grange View CE Primary School we target the use of Pupil Premium Grant funding to ensure that our disadvantaged pupils receive the highest quality of education. We recognise that disadvantaged children can face a wide range of barriers which may impact on their learning.*

Our main aims are:

- To ensure that all pupils at Grange View CE Primary access a high quality curriculum offer that meets their needs.
- Ensure all staff are well trained and equipped to manage and support potential barriers to learning in all year groups for pupil premium pupils.
- To remove barriers to learning that are created by poverty, family circumstance and background.
- To ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of disadvantaged pupils are appropriately addressed and assessed.
- To develop reading skills so that all pupils are able to read fluently and with good understanding to enable them to access the breadth of the curriculum.
- Deliver early intervention and support from Early years to Year 4
- Run evidence based interventions and out of school additional provision.
- Provide quality enrichment activities, visits and visitors.
- Engage and equip parents with the necessary information and resources to raise the profile of learning at home and attendance at school
- To close the disadvantaged gap and the post lockdown gaps in reading, writing and maths across the school.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Assessments, observations, and discussions with pupils indicate underdeveloped oral language skills and vocabulary gaps among many disadvantaged pupils. These are evident from Nursery through to KS2 and in general, are more prevalent among our disadvantaged pupils than their peers.
2	Assessments, observations, and discussions with pupils suggest disadvantaged pupils generally have greater difficulties with reading than their peers.

3	Internal and external assessments indicates that both English and maths attainment among disadvantaged pupils is significantly below that of non-disadvantaged pupils.
4	Our attendance data over the last 2 years indicates that attendance among disadvantaged pupils has been lower than for non-disadvantaged pupils.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improved teaching, resourcing and assessment of phonics leading to improved outcomes for pupils in phonics, reading and writing.	Improved Phonics Screening results, in line with National Averages. Improved Read Write Inc assessment results. Children in all year groups will be reading with greater accuracy and fluency.
Narrow the gaps in Reading, Writing and Maths by developing children's basic Maths skills.	Improved Maths outcomes in all year groups. Children have a greater understanding of how to write and are more confident in writing at length more frequently. Children are able to communicate more confidently. Speaking, oracy and listening skills are improved with a growing vocabulary.
To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils.	Sustained high attendance by 2026/27 demonstrated by: 96.16% whole school 2023-24 95% PP 2023-24

## Activity in this academic year

This details how we intend to spend our pupil premium funding **this academic year** to address the challenges listed above.

## Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £5266

Activity	Evidence that supports this approach	Challenge number(s) addressed
Updated Read Write Inc phonics training for all school staff, including new resources to support teaching and learning from School Phonic leader.	RWI is an accredited phonics teaching programme which has been validated by the DfE.  <a href="#">Phonics   Teaching and Learning Toolkit   EEF</a>	Updated Read Write Inc phonics training for all school staff, including new resources to support teaching and learning from School Phonic leader.
Release time for the Leadership team to track and monitor PP children, including lesson observations and meetings with staff.	Detailed understanding of provision and progress across school will allow for a clear view of the big picture and effective feedback to staff.  Pupil attainment levels will improve as staff are well informed about the needs and development of this target group – gap will narrow.	1,2,3,4,5
Release time for English and Maths Lead to access additional support through Oracy Project and maths hub	These projects aims to secure firm foundations in the development of good oracy to support language/communication skills For all children from Nursery through to Year 6 to embed math's knowledge and skills	2

## Targeted academic support (for example, tutoring, one-to-one support, structured interventions)
