

Risk Assessment Form (RA1)

Department: CHILDRENS SERVICES	Service: EDUCATION	School: GRANGE VIEW CE FIRST SCHOOL
Activity: Schools opening during COVID19 pandemic		
<p>Version 7.3: Updated 16 December 2021 (subject to further change before if government guidance is updated - updates made will be added to the document history table at the bottom of the document)</p> <p>Note: orange text is retained from prior version 7.2 (Updated 07 December 2021) due to proximity of this update.</p> <p>This risk assessment incorporates the content of the Schools COVID-19 operational guidance, as well as additional further protective measures which Headteachers may wish to retain as part of the risk assessment process. This document should be read in conjunction with the H&S Briefing – 2 September 2021 which provides further information, including duties under health and safety legislation. This risk assessment <u>must</u> be amended to record the specific arrangements in place within your school. Academies are welcome to use this risk assessment, however, references to certain arrangements/procedures may differ. The school specific risk assessment should be kept under review. Schools should retain copies of all previous versions of their risk assessment.</p>		
People at Risk: Staff, pupils, visitors, volunteers, parents, contractors	Additional Information: guidance on completion: risk assessment form Guidance for full opening: special schools and other specialist settings, NCC Health and Safety Bulletin Existing service/task specific risk assessments and guidance provided by the government/Public Health England and internally at NCC. Further additional information/links to documentation is available at the bottom of the document.	
Name of Person Completing Form: LOUISE LASKEY	Job Title: HEAD	Date: 05/1/22
		Review Date: AS PER NCC/DFE GUIDANCE

Hazard	Risk	Initial Rating L, M, H	Existing Control Measures	Initial Rating L, M, H	Additional Action Required (action by whom and completion date – use separate Action Plan if necessary)
<i>Prevalence of COVID-19 variants of concern in the community (Omnicron variant)</i>	<i>Higher risk of transmission.</i>	<i>H</i>	<p><i>All relevant risk assessments and arrangements have been reviewed and updated in light of temporary local and national rules surrounding the Omicron variant.</i></p> <p><i>Office workers who are able to work from home are supported to do so. Those staff who are unable to work from home attend school as usual. Face coverings are worn by staff, adult visitors and pupils in year 7 and above in communal areas [review face coverings risk assessment]</i></p> <p><i>Schools are not required to use the NHS COVID Pass, unless they are holding a specific event which meets the attendance thresholds (e.g a concert, party etc). Where applicable, the school will follow guidance on mandatory certification for such events. Under 18s are exempt from showing their COVID Status but should be counted towards attendance thresholds [such events are currently not advised under local advice provided by the NCC Public Health Team. It is unlikely that many events taking place in school would meet the threshold for checks but schools should be aware of this requirement]. See: Carrying out mandatory COVID-19 status checks at your venue or event</i></p>	<i>L</i>	<p><i>[Please see e-courier article dated 7 December 2021]</i></p> <p><i>[Headteachers are advised to ensure they subscribe to the daily DfE email bulletins if they have not already done so.]</i></p>
<p><i>Inadequate testing / maintenance and fire safety arrangements during the covid19 pandemic.</i></p> <p><i>Opening after reduced occupancy</i></p>	<i>Equipment / system failure leading to enhanced physical or biological risks to people</i>	<i>M</i>	<p><i>Essential maintenance/testing as detailed below will continue to be undertaken during periods of reduced occupancy [ensure the necessary checks have taken place for any parts of the building being reopened].</i></p> <p><i>Statutory testing and maintenance, such as water hygiene testing/flushing, lifts, gas supply/safety, fire alarm system, emergency lighting, fixed electrical</i></p>	<i>L</i>	<i>Fire risk assessment has been reviewed and the associated modifications / additional measures implemented to maintain an effective fire strategy (e.g. escape routes, doors held open etc). Any changes to the fire risk assessment have been communicated to all staff.</i>

			<p>installation, play/sporting equipment are maintained as normal.</p> <p>Fire doors are always operational and fire evacuation procedures have been reviewed</p>	<p>FM4U- to ensure all up to date Where checks / paperwork /maintenance is lacking; steps taken to address this prior to reopening - items taken out of use (where possible), or guidance obtained from a competent person (manufacturer, service engineer, NCC Property Services).</p> <p>Provision is in place to make adjustments and revisit fire drills. LAST DRILLS- 27/11/21 All routes remain the same, NEXT DRILL Feb 2022</p>
<p>Inadequate safety management documentation (policies, risk assessments etc)</p>	<p>Increased risk of contracting Coronavirus through lack of planning.</p> <p>Equipment / system failure leading to enhanced physical or biological risks to people.</p>	<p>M</p>	<p>The arrangements in the Covid19 risk assessment are monitored (detail specific arrangement for this) and kept under review. Relevant policies, procedures and other risk assessments have been reviewed and updated where necessary and shared with staff. Arrangements are monitored and kept under review, with staff given the opportunity to comment and feedback on arrangements.</p> <p>Procedures have been documented for:</p> <ul style="list-style-type: none"> ● Individuals becoming Covid symptomatic on site or the school becoming aware of someone symptomatic who has recently attended the school ● A school *Outbreak Management Plan is in place. This records how the school will respond to an outbreak of COVID-19 in the school or community. http://www.grangeview.northumberland.sch.uk/wbsite/covid19/471500 	<p>L</p> <p>Advice will be provided directly from the NCC public health team. The Northumberland Local Outbreak Prevention Plan is also available on the County Council webpage.</p>

<p>Outbreak of Covid-19 in local area or school resulting in the need to step up protective measures</p>		<p>H</p>	<p>A school *Outbreak Management Plan is in place. This records how the school will respond to an outbreak of COVID-19 in the school or community. http://www.grangeview.northumberland.sch.uk/website/covid19/471500</p> <p>Further advice is sought from the NCC Public Health Team once numbers increase as per the threshold figures determined in the plan.</p> <p>[*All education settings should have an outbreak management plans which outlines how it would operate if any of the measures described in the Contingency Framework Guidance are implemented.]- http://www.grangeview.northumberland.sch.uk/website/covid19/471500</p>	<p>L</p> <p>The Northumberland Local Outbreak Prevention Plan will be instigated by the Director or Public Health. The Headteacher will fully cooperate with the process and follow advice from the NCC public health team/health protection team.</p> <p>[certain protective measures may need to be reintroduced in response to an outbreak]. Contact the NCC Public Health Team for advice and reporting all positive test results, via the webform. They will respond as soon as possible, where required. Before and during this process it is recommended that schools with potential outbreaks review their outbreak control plan and use this checklist to review current arrangements and additional measures that could be implemented.</p>
<p>Inadequate ventilation.</p> <p>Unable to achieve a comfortable (or legal minimum) temperature within the building.</p>	<p>Increase in risk of transmission of Covid19.</p> <p>Occupants become cold - poor concentration levels impact on learning.</p>	<p>H</p>	<p>As each school is different in terms of size, layout and type of ventilation systems, they are to record their own arrangements for ventilating specific areas/spaces here. Where these are more complex, you may wish to record these arrangements in a separate risk assessment and share this with staff.</p> <p>Due regard is to be given to the information on how best to maintain ventilation in the H&S FAQ document, *HSE information, CIBSE - Ventilation Guidance and the latest government guidance for schools.</p> <p>General principles when using natural ventilation include opening windows. In cooler weather windows should be</p>	<p>L</p> <p>HSE video on Covid19 and ventilation: https://www.youtube.com/watch?v=hkK_LZeUGXM</p> <p>[*Where Co2 monitors have been issued by DfE as a tool for identifying poorly ventilated areas for improvement, these are only used in accordance with instruction and training provided – see also HSE information provided earlier]</p>

		<p><i>opened just enough to provide constant background ventilation, and opened more fully when unoccupied to purge the air in the space (e.g. between classes, during break and lunch). Rooms should, where possible, be fully ventilated for at least 15 minutes prior to and following use.</i></p> <p><i>Opening internal doors can also assist with creating a throughput of air. If necessary external opening doors may also be used (as long as they are not fire doors and where safe to do so)</i></p> <p><i>Opening high level windows in preference to low level to reduce draughts</i></p> <p><i>Rearranging furniture where possible to avoid direct drafts.</i></p> <p><i>Mechanical ventilation/heating systems are maintained in accordance with the manufacturers recommendations. [For mechanical ventilation and extraction system please refer to documentation above].</i></p> <p><i>Measures are reviewed when events are planned that involve visitors being on site (e.g. school plays).</i></p>	<p><i>Click here for access to the <u>ventilation document sharing platform</u> which includes a 'how to use guide'</i></p> <p><i>Occupied rooms with no ventilation - their use should be avoided.</i></p> <p><i>Consider installation of window fans to provide natural ventilation.</i></p> <p><i>Ceiling fans/portable fans can be used to aid air flow where there are stagnant air pockets in rooms.</i></p> <p><i>Providing flexibility to the school uniform policy to allow additional, suitable indoor clothing to be worn.</i></p> <p>Staff and pupils encouraged to wear additional layers</p> <p><i>[Wall mounted fan convactor coil heating systems - All schools have been contacted directly by the NCC Property Services team to identify buildings with this type of system - an inspection of these systems has been carried out and further maintenance undertaken where needed. See FAQ for further details or contact Property Services or your heating maintenance company for further advice.]</i></p> <p>The school caretaker and teachers ensures a window open in every room 15 minutes before pupils arrive. All doors open around</p>
--	--	---	--

					<p>school internally apart from EYFS unit for safeguarding.</p> <p>The caretaker ensures all heaters have been cleaned following NCC survey and guidance every term.</p>
<p>Contact with others who may have Coronavirus</p> <p>Inadvertent transmission to others</p>	<p>Exposure to live virus resulting in contracting Coronavirus.</p> <p>Exacerbation of existing medical conditions.</p>	H	<p>General protective measures across school</p> <p>Public health advice on testing, self-isolation and managing confirmed cases of COVID-19 is followed, with protective measures being escalated if there is an outbreak within the school. Anyone travelling from a foreign country must comply with government guidance on self isolation: Travel abroad and coronavirus (COVID-19) - GOV.UK (www.gov.uk)</p> <p>Good hand hygiene is encouraged amongst staff and pupils. Pupils clean their hands regularly, including when they arrive at school, return from breaks, change rooms, before and after eating, after sneezing or coughing. Washing hands thoroughly for 20 seconds with soap and water and or use of alcohol hand rub or sanitiser</p> <p>Good respiratory hygiene is encouraged. Promote the 'catch it, bin it, kill it' approach. Disposable tissues are provided along with bins for used tissues and other waste. This waste is bagged and disposed of.</p> <p>Appropriate cleaning regimes are in place, including regular cleaning of areas and equipment [for example, twice per day – you should have documented cleaning schedules in place], with a particular focus on frequently touched surfaces.</p>	M	<p>Notices and information on Covid rules/protective measures are displayed in school.</p> <p>The e-Bug Coronavirus website contains free resources for schools, including materials to encourage good hand and respiratory hygiene.</p> <p>The location of items (e.g. signage, hand sanitiser stations, lidded bins in classrooms and in other key locations) is reviewed and cited with regard to site specific circumstances to ensure ease of use.</p> <p>See: COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable</p> <p><u>Pregnant workers model risk assessment</u> (to be completed in conjunction with the above CEV/CV assessment for vulnerable staff). [Schools should be aware that pregnant women from 28 weeks' gestation, or those with underlying</p>

		<p><i>Occupied spaces are well ventilated (see separate section below)</i></p> <p><i>Staff maintain social distancing where possible.</i></p> <p><i>Face coverings are worn by staff/visitors in accordance with the school's face covering risk assessment and any individual risk assessment [this control should be considered during periods of high transmission of COVID-19, with more stringent use during outbreaks in schools]</i></p> <p><i>Twice weekly lateral flow device (LFD) testing is carried out by staff and pupils in Year 7 and above to help identify asymptomatic cases. Anyone displaying any symptoms of coronavirus are not permitted on the premises</i></p> <p><i>Most staff, and eligible pupils, have now received both Covid19 vaccines. All individuals are encouraged to take up their vaccine, including any booster vaccination, where appropriate. This offers very good protection against the virus to reduce spread and also reduces the chance of a person becoming severely unwell.</i></p> <p>Vulnerable Staff <i>(see model CEV/CV individual risk assessment for process/further guidance, including vaccination status) An individual Risk Assessment is in place for staff who are 'clinically extremely vulnerable' (CEV), 'clinically vulnerable' (CV) and pregnant. A separate assessment is in place for those from a BAME background. Given the change in the school Covid risk assessment for the Autumn term, risk assessments for all vulnerable staff will be reviewed. Reviews will also take place if there is an outbreak within the school.</i></p> <p>Unvaccinated vulnerable staff</p>	<p><i>health conditions at any gestation, may be at greater risk of severe illness from coronavirus (COVID-19).]</i></p> <p><i>See also: Advice for Pregnant Workers and COVID-19 vaccination: a guide for women of childbearing age, pregnant or breastfeeding (Includes information on additional risk factors for pregnant women, such as age, BMI, third trimester, BAME background)</i></p> <p><i>BAME risk assessment</i></p> <p><i>Head teachers/Senior managers are to ask staff to inform them immediately if their situation changes.</i></p> <p>RA in place for all employees with asthma or moderate risk health conditions and reviewed half termly Pregnant staff NCC RA separately in place and shared.</p> <p>ALL STAFF + VISITORS SANITISE HANDS on entering site and must continue to keep a safe social distance.</p> <p>All rooms have supply of cleaning spray and wipes to sanitise throughout day when needed as well as all rooms cleaned morning, lunchtime and after school.</p>
--	--	--	--

			<p><u>Where the individual is vulnerable and unvaccinated, more robust control measures or reasonable adjustments to their role must be made.</u> In relation to unvaccinated CEV staff or those who are 28 weeks pregnant or more, where the risk cannot be adequately reduced, these staff are supported to work from home, unless robust control measures or reasonable adjustment to their role can be implemented.</p> <p>Advice is sought from the school's own HR/Occupational Health provider and the person consults their physician where appropriate.</p> <p>Children All children, young people and adults follow guidance prescribed by this risk assessment in the school setting.</p> <p>Eligible children have now been offered a COVID-19 vaccination. Clinical studies have shown that young people under 18, including those originally considered to be CEV, are at very low risk of serious illness if they catch the virus. The UK Clinical Review Panel has recommended that all children and young people under the age of 18 should no longer be considered CEV and should be removed from the Shielded Patient List. Department for Health and Social Care provide further guidance in their FAQ document.</p> <p>Those children who may be at a higher risk from COVID-19 and have been prescribed specific clinical advice, have been identified by the school. The specific advice is being followed and taken into account within an individual risk assessments/healthcare plans. The child's parents/carers and where necessary the relevant healthcare professional(s) have been consulted. Remote education is supported where necessary.</p>	<p>Staff to be consulted/trained on any resultant measures to be introduced as a result of any specific clinical advice for young people/children. Northumberland EHCP planning Tool and Risk Assessment</p> <p>Where children have an Individual Healthcare Plan, arrangements must be made to ensure that any adults supervising the child understand and are familiar with the plan and have received any training that is indicated to care for the child.</p> <p>Where there are concerns about the health provision for a child or young person, urgent advice must be sought from a healthcare professional.</p>
--	--	--	--	---

			<p><i>Individual Healthcare Plans for all pupils are checked to ensure they are up to date and include any specific advice that has been prescribed [see also: model risk assessment for CV/CEV pupils]</i></p> <p>Visitors/Contractors</p> <p><i>When making appointments, contractors/visitors are briefed not to attend school if displaying symptoms of COVID-19. The normal process for recording visitor details to the site is followed. Electronic sign-in devices or pens are regularly cleaned.</i></p> <p><i>Reception areas/waiting areas are marked to identify social distancing.</i></p> <p><i>Visitor contact information is retained for 21 days to support the NHS test and trace programme (Visitor Audit/Questionnaire). This should include details of all visiting staff.</i></p>		
<p><i>Staff/Pupils displaying symptoms of coronavirus whilst at school</i></p> <p><i>[*symptomatic persons are required to have a PCR test]</i></p> <p><i>Contact with others who are symptomatic or who have tested positive</i></p>	<p><i>Others contracting virus</i></p>	<p><i>H</i></p>	<p><i>Staff/pupils have been instructed they must not attend school if they are symptomatic/test positive.</i></p> <p><i>A protocol is in and has been shared with all staff who are clear on what action to take if someone becomes symptomatic whilst at school.</i></p> <p><i>PHE guidance on action to take if a person becomes symptomatic on site is followed along with the PHE guidance on ‘cleaning and waste’.</i></p> <p><i>Head Teacher / School Lead / parent / carer is notified immediately and the staff member / pupil is sent home, avoiding public and school Transport where possible, and advised to take an urgent PCR test. If they are seriously ill 999 are contacted.</i></p>	<p><i>M</i></p>	<p><i>Schools follow the process detailed in the NCC flowchart “Managing Covid-19 in Northumberland Schools and settings” and complete the new simplified report form in relation to the symptomatic person (both for staff and pupils). Ensure home and emergency contacts are up to date.</i></p> <p><i>The school has a small supply of PCR home test kits which can be used in very exceptional cases (Coronavirus (COVID-19): test kits for schools and FE providers)</i></p>

		<p>If a child is awaiting collection, they should be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age of the child and with appropriate adult supervision if required. Ideally, a window should be opened for ventilation. If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people.</p> <p>PPE is only required by staff caring for the child while they await collection in the following circumstances: (see also Symptomatic children action list for schools and Safe working in education, childcare and children's social care settings, including the use of personal protective equipment (PPE))</p> <ul style="list-style-type: none"> • a fluid resistant (type IIR) face mask should be worn if a distance of 2 metres cannot be maintained • if contact is necessary, then disposable gloves, apron and a face mask should be worn • eye protection (e.g. visor or goggles) if a risk assessment determines that there is a risk of fluids entering the eye, for example, from coughing, spitting or vomiting. • They should wash their hands thoroughly for 20 seconds after any contact with someone who is unwell. <p>Any members of staff who have helped someone with symptoms should be vigilant for symptoms and self-isolate and arrange a PCR test if they become symptomatic</p> <p>Staff / pupil or parents / carers are requested to inform the school as soon as they receive their test result (positive or negative).</p>	<p><u>Positive staff cases of Covid-19 confirmed by a PCR test must be recorded via ANVIL, as they may be RIDDOR reportable (for schools in the H&S SLA and normally utilise ANVIL).</u></p> <p>Close contacts of a confirmed case All close contacts encouraged to take daily lateral flow tests as well as PCR</p> <p>NHS Test and Trace will carry out close contact tracing if a PCR test comes back positive. Individuals who are no longer required to self isolate if they are a close contact can attend school. but will be advised to book a PCR test by Test and Trace. Those who do not meet the criteria are legally required to self isolate. [from 16 August the criteria changed in relation to certain double vaccinated adults and young people under 18 years old].</p> <p>All adults who are fully vaccinated, and children aged between 5 to 18 years and 6 months, identified as a close contact, will be advised by NHS Test and Trace to take an <u>LFD test every day for 7 days</u>. They are asked to report the results through the Online Reporting System and to the school.</p> <p>Close contacts can continue to attend school during this period of testing,</p>
--	--	---	--

			<p>If the PCR test comes back positive, the individual should follow Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection</p> <p>Where the staff member / pupil tests negative, they can return to their setting when they are medically fit to do so.</p>		<p>unless an LFD test comes back positive (or if they become symptomatic) where they must self-isolate and book a PCR test. Unvaccinated adults, and others who do not meet the criteria, must continue to self-isolate for 10 days. Further details are included in the Operational Guidance for Schools</p> <p>In respect of the Omicron variant of COVID-19, all individuals who have been identified as a close contact of a suspected or confirmed case of the Omicron variant, irrespective of vaccination status and age, will be contacted and required to self-isolate immediately and asked to book a PCR test. Close contacts will be informed by the local health protection team or NHS Test and Trace if they fall into this category and will be provided with advice about self-isolation.</p> <p>Any Staff/pupils to be taken to Meeting room and isolated until taken home and follow Track and trace systems. Room then stringently cleaned. Head/assistant head or office manager will wear full PPE if/ when a pupil/or staff must isolate until they leave site</p>
All teaching/classroom activities; early	Contracting coronavirus - staff and pupils, passing	H	The following measures are in place;	L	Review Schools: coronavirus operational guidance

<p>years, primary and secondary (see also section on 'Shared Learning Spaces/practical teaching below)</p>	<p>onto vulnerable persons</p>	<ul style="list-style-type: none"> Classrooms are well ventilated [see specific section on ventilation] A suitable cleaning schedule is in place for desks/chairs/equipment (minimum twice a day) Staff supervise hand hygiene arrangements for younger children and those with additional needs. Measures are in place to ensure more independent older pupils are following good hygiene practices. Pupils are asked to report if they become unwell and staff informally monitor for presence of symptoms. The school protocol for persons becoming symptomatic on site is followed [add link to document or refer to separate part of risk assessment] No sharing of stationery (pens, pencils) <p>Groupings</p> <p>Although bubble groups are no longer in place, where natural groupings are achievable, which limit mixing and don't impact on education, this is implemented [add details].</p> <p>Early year/nursery – children are able to remain in a group in the same space with limited or no mixing with other year groups. A separate play area is provided. Parental drop off/pick up is done outdoors, where possible.</p> <p>First/Primary – children are able to remain in a group in the same space with limited or no mixing with other year groups. [especially achievable for single form entry].</p> <p>In Primary Schools, the same groups are taught in the same classrooms, to limit the amount of movement around the school and potential contact with other groups.[where this doesn't impact on learning]</p>	<p>Actions for early years and childcare providers during the coronavirus (COVID-19) outbreak</p> <p>Breakfast and after-school provision are provided following limited mixing and following sanitizing routines</p> <p>Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (COVID-19) outbreak</p> <p>Science - practical work is in line with CLEAPSS Guide to doing practical work during the COVID-19 pandemic. Risk assessments are in place.</p> <p>On advice from the Public Health Team, bubble groups may need to be reintroduced as an additional protective measure if there is an outbreak in school. Previous arrangements for bubble groups will be reinstated [record detail of groupings in outbreak plan or add to this risk assessment].</p> <p>Refer to:</p> <ul style="list-style-type: none"> guidance on grassroot sports for public and sport providers, safe provision and Sport England Guidance advice from organisations such as the Association for Physical Education and the Youth Sport Trust
--	--------------------------------	---	---

Sport and physical education:

- *Activities proceed in accordance with the advice provided by relevant National Governing Body, sport providers and/or the sports facility*
- *Promote good hand hygiene practices and maintain a cleaning regime focusing on frequently touched surfaces.*
- *Ventilation is maximised in accordance with the arrangements stated above.*
- *Work with external coaches, clubs and organisations for curricular activities are subject to routine risk assessment to confirm that Covid-19 arrangements are safe and appropriate. Note; venues may have capacity limits that are to be followed.*

- *guidance from Swim England on school swimming and Step 4 Covid advice*

***Breakfast club in hall has windows and doors open and separate tables socially distanced. 1 staff member supporting and maintaining social distance . Hands sanitised/ no equipment shared
Class groups do not mix at any time during the day including at breaktimes and lunchtimes.
All Staff to remain in Key stages with shared toilets cleaned regularly***

At school Reception Main entrance all visitors/contractors must sign in and leave contact details for Track and Trace , sanitize hands and wear face mask provided. They will be accompanied at all times.

Main office – sanitizers on arrival for any visitors and record of details

			<ul style="list-style-type: none"> Day visits and residential visits within the UK may proceed <p>Full and thorough risk assessment is achieved by application of: the</p> <ul style="list-style-type: none"> Evolve Generic Risk Assessments** along with; the production of an Event Specific Planning to ensure full a thorough risk assessment. <p>Those conducting International Visits ensure that a visit specific “International Travel COVID-19 Plan” is produced and submitted for approval prior to travel.</p> <p>Visit approvals are applied in line with the NCC Code of Practice for Offsite & Educational Visits.</p> <p>Correct application of protocols applied by Evolve ensures adherence to government advice for health and safety guidance on educational visits.</p> <p>Educational Visit Coordinator & Heads receive policy guidance updates and actively check for updates on the Evolve system for updates to the above.</p> <p>Where the establishment is a non-NCC Establishment (e.g. an academy) the EVC or Head checks to ensure appropriate insurance, arrangements are in place.</p>		<p>consideration to the risk of disruption to education resulting from isolation and testing requirements and also ensuring adequate financial protection in place.</p> <p>** Including but not limited to “the Evolve Coronavirus (COVID-19) Generic Risk Assessment. Evolve Generic Risk Assessments take into account the requirements outlined by “Schools COVID-19 operational guidance. Updated 17-August-2021 02 December 2021” and prescribes broad arrangements as to how these may be applied.</p> <p>As per pre-existing practice, establishments are to review these assessments to ensure the stated arrangements are applied where applicable and reasonable to do so. Visit specific arrangements that are either not specified by or are prompted by the generic risk assessments are to be set out in Event Specific Plan.</p>
Play activities	Contracting coronavirus - staff and pupils	H	<p>Existing school play risk assessment has been reviewed and shared with staff.</p> <p>Toys and play equipment are included in the cleaning schedule. For large outdoor play equipment, which is difficult to clean, good hand hygiene is adopted before and after breaktime.</p>	L	<p>Classes sanitize hands before going outside and returning back in school</p> <p>Each class has own box of equipment with is cleaned daily.</p> <p>Any large equipment is only used by one class</p>

			<i>The use of equipment which can't be cleaned easily is avoided or minimised where possible.</i>		
<i>Provision of school meals service</i>	<i>Contracting coronavirus - staff, pupils</i>		<p><i>The school kitchen is fully open and normal legal requirements will apply. Kitchen operations comply with the guidance for food businesses on coronavirus (COVID-19).</i></p> <p><i>Catering staff are aware of the content of this risk assessment and the measures required for use of communal staff areas have been implemented e.g., for toilets/staff room/changing rooms. [see also section on use of communal areas]</i></p>		<i>Risk assessments have been reviewed and updated where required (both for catering activities and dining hall arrangements, such as additional cleaning, wearing face masks when serving children)</i> Separate sittings for EYFS/ELM +BEECH/Y4.
<i>Parents/carers picking up/collecting pupils from school</i>	<i>Contracting coronavirus - staff, pupils, public</i>	<i>H</i>	<p><i>Parents are not permitted into the school building to hand over children [including nursery/early years if this can be done outdoors]. During periods of high transmission, parents are requested to wear face coverings during busy times whilst on school premises.</i></p> <p><i>Supervising staff maintain social distancing with parents and have access to a face mask.</i></p> <p><i>School digital communications channels are used to engage and advise parents on protective steps being taken and associated requirements, such as not attending if they or their child is symptomatic.</i></p>	<i>L</i>	ALL PARENTS/CARERS to drop off classes and pick up outdoors around the school site to limit classes mixing. All encouraged to wear masks on site and keep social distances
<i>Use of School Transport (external provision only)</i>	<i>Contracting coronavirus - staff, pupils, transport provider</i>	<i>H</i>	<p><i>Steps taken to ensure anyone who becomes symptomatic does not use School Transport.</i></p> <p><i>The school encourages pupils to walk or cycle to school where possible.</i></p> <p><i>Providers have taken steps to adapt vehicle use in accordance with NCC School Transport Risk Assessment for Coronavirus.</i></p>	<i>M</i>	<p><i>Children under the age of 3 should not wear face coverings. Children aged from 3-10 can wear face coverings if they are able to handle it as directed, but they are not required to.</i></p> <p><i>Home to school transport is in line with current guidance: Dedicated Transport to schools and colleges COVID-19 operational guidance</i></p>

			<p>A review has been undertaken by the school of dedicated transport use and consideration has been given to:</p> <ul style="list-style-type: none"> • Maintaining groupings where possible so pupils sit within the year groups. [this measure will help in reducing the risk of transmission and assist if bubble groups needs to be reintroduced if there is an outbreak – see outbreak management plan]. • The use of hand sanitiser before boarding and after disembarking is encouraged via messages to parents. • supporting use of face coverings for pupils in Year 7 and above on transport, where they are likely to come into contact with people outside of their group or who they do not normally meet. The school should support the school transport team/transport providers to resolve any non-compliance issues with the wearing of face coverings • ensuring good ventilation of fresh air wherever possible by keeping windows, or roof lights, on home to school transport, open <p>The school has consulted the Local Authority School Transport team to support their implementation of transport arrangements</p> <p>Where staff are required to assist with accessing transport and fitting of seat belts/restraints, where possible only those normally working directly with the pupil provide such support.</p>		<p>Swimming bus- Y 3 and Y4 kept separate on bus and at pool. Sanitise on entry and of bus and leisure centre.</p>
Staff travelling to and from work.	Contracting coronavirus, spread of virus	H	<p>Those using public transport are identified and encouraged to refer to governments safer travel guidance for passengers.</p> <p>In particular:</p>	M	<p>Review Guidance:</p> <p>How to wear and make a cloth face covering</p>

			<ul style="list-style-type: none"> Wear a face covering when using public transport, travelling in a taxi or a private vehicle with others. wash your hands often with soap and water for at least 20 seconds or use an alcohol-based hand sanitiser 		Coronavirus (COVID-19): UK transport and travel advice Any car sharing of staff to wear masks by staff
Children who are non-compliant / displaying challenging behaviour	Contracting coronavirus - staff, pupils	M	<p>Children who are symptomatic do not attend school. Effective infection control strategies are in place including measures to minimise contact with those who become symptomatic whilst at school.</p> <p>Current school arrangements including behaviour policy, availability of trained staff and preventative approaches are reviewed/updated taking account of suggested school rules within Government Guidance. Policy communicated to staff, children/pupils and parents/carers.</p> <p>All schools have access to NCC SEN Support Services to accommodate and support learners with SEND who are attending. Provision includes support in reviewing and determining reasonable adjustments within plans for EHCP learners.</p> <p>Staff working with pupils who spit uncontrollably are given more opportunities to wash their hands than other staff.</p> <p>Pupils who regularly who use saliva as a sensory stimulant or who struggle with 'catch it, bin it, kill it' are also given more opportunities to wash their hands where appropriate.</p>	L	For further information visit: NCC Local SEND Offering 0-25 yrs. All risk assessments, behaviour crisis plans and EHCPs include valid COVID-19 controls. Advice given on the use of restrictive physical interventions by front line staff (available from Inclusive Education Services).
Personal care activities	Contracting coronavirus or passing onto	H	Most staff and CEV pupils have now been double vaccinated. Social distancing is implemented where possible.	L	PPE requests/shortages in PPE are raised with the Schools Organisation and Resources Team.

	<i>vulnerable or shielded children</i>		<p><i>Children who normally receive support from the special school nurse or children's community nurse will require an individual risk assessment. This assessment should include input from the parents/carers and healthcare professionals. Reference to any care tasks and specific PPE requirements for these tasks should be recorded and implemented.</i></p> <p><i>Any queries are directed to the school nurse.</i></p> <p><i>Staff know how to safely put on and take off PPE. PHE guidance on Putting on PPE; and Taking off PPE is followed by all staff undertaking personal care.</i></p>		<p><i>No additional PPE is generally needed other than that already identified via risk assessment.</i></p> <p><i>Specific PPE/training is required for staff providing personal care involving an aerosol generating procedure (AGP) - advice is provided by the school nurse and a risk assessment produced. Specific detailed guidance and requirements when performing AGPs is included is: Safe Working in education, childcare and children's social care</i></p>
<i>Use of hand sanitiser</i>	<p><i>Ingestion of hand sanitiser.</i></p> <p><i>Alcohol vapours ignited resulting in burns to hands</i></p>	<i>M</i>	<p><i>Always wash hands with soap and hot/warm water wherever possible.</i></p> <p><i>Where hand sanitizer is used, it contains a minimum of 60% alcohol. It is kept out of the reach of children and used with staff supervision due to the risk of ingestion. A safety data sheet and COSHH risk assessment are in place for its use.</i></p> <p><i>When using alcohol-based hand sanitisers make sure all liquid is evaporated before smoking, touching any electrical equipment or metal surfaces which may result in a static shock, or any other source of ignition.</i></p> <p><i>Skin friendly skin cleaning wipes can be used as an alternative</i></p>	<i>L</i>	<p><i>Bulk supplies of alcohol gel are stored appropriately as flammable substances and the fire risk assessment has been updated accordingly.</i></p> <p><i>All rooms have access to sanitiser</i></p> <p><i>COSHH copy from Caretaker shared with all staff for sanitizer use and cleaning products</i></p>
<i>Insufficient cleaning/exposure to virus on objects/surfaces</i>	<i>Contracting coronavirus</i>	<i>H</i>	<p><i>Increased cleaning to take place using standard cleaning products (minimum twice a day). Additional cleaning hours/resources have been arranged with the priority being for frequently touched areas. Cleaning</i></p>	<i>L</i>	<p><i>A supply of antibacterial wipes/alcohol gel is made available in school (including classrooms) to encourage staff/pupils to help maintain cleanliness in personal work areas.</i></p>

			<p>staff are briefed on the amended cleaning schedule, and records kept of cleaning undertaken.</p> <p>In particular, objects and surfaces that are touched regularly are frequently cleaned and disinfected.</p> <p>Staff wash hands if handling pupils' homework/books.</p> <p>Classrooms are cleaned in line with cleaning schedule. Bins for tissues are emptied throughout the day.</p> <p>Where there is a suspected or confirmed case of COVID-19 within the school, the school procedure for dealing with this scenario is implemented, which incorporates the PHE guidance on 'cleaning and waste' (ensure cleaning products used comply with this guidance). Staff wear disposable gloves and aprons as a minimum. Hands are washed with soap and water for 20 seconds when all PPE is removed.</p> <p>Staff know how to put on and take off PPE correctly: PHE - Putting on PPE; PHE - Taking off PPE</p> <p>See also sections on Pupils and staff displaying symptoms of coronavirus whilst at school.</p>		<p>Cleaning products used in teaching areas etc are those normally used by cleaning staff - a safety data sheet and COSHH risk assessment are in place for each product.</p> <p>Bleach should be avoided, and a suitable alternative product(s) used. If schools are advised to use a bleach-based product, only bleach <u>sprays</u> should be used. Its use must be strictly controlled, and it must not be mixed with other cleaning products due to the risk of chlorine gas being liberated. The safety data sheet and COSHH risk assessment must be in place prior to use and shared with staff.</p> <p>See sample COSHH risk assessment COSHH copy from Caretaker shared with all staff for sanitizer use and cleaning products</p>
<p>Lateral flow device Covid testing carried out incorrectly.</p> <p>Weekly staff/pupil home testing.</p> <p>Testing pupils returning to school [year 7 plus]</p>	<p>Transmission of Covid 19 virus</p>	<p>H</p>	<p>The national guidance issued in relation to the COVID-19 testing programmes in schools has been implemented: Link to Covid testing documentation/training</p> <p>Following initial on-site testing for pupils in year 7 and above returning to school, twice weekly home testing is now offered to staff/pupils. Although voluntary, this is strongly encouraged by the school.</p>	<p>M</p>	<p>[see NCC model risk assessments: Covid19 Home Testing – School Staff/Pupils</p> <p>-</p> <p>Covid19 - Testing on School Sites</p> <p>These are based on the DfE/PHE How to Guides/SOPs but should be tailored to record specific arrangements in place at your school]</p>

			<p><i>Schools with years 7 and above should retain a small on-site testing centre so they can offer testing to pupils who are unable or unwilling to test themselves at home.</i></p> <p><i>Separate school specific risk assessment(s) are in place to cover both on-site and home testing activities [add link to your risk assessments].</i></p> <p><i>Temporary and teacher training staff should be offered testing in the same way as wider school staff.</i></p>		<p><i>Prior to ATS testing at school, schools take steps to identify if an individual has tested positive 90 days prior to the current test. This is to identify the potential for false positive test results. Those falling into this category are advised not to test until the 90-day period ends unless they develop COVID-19 symptoms.</i></p> <p>*Staff to continue twice weekly Lateral Flow tests at home Sun and Weds reporting results to school and nhs/gov website</p> <p>Daily lateral flows encouraged if close contact in household</p>
<p><i>Inadequate first aid provision</i></p>	<p><i>Serious injury or death</i></p> <p><i>First aider contracting coronavirus or spreading virus to others.</i></p>	<p><i>H</i></p>	<p><i>A review of the first aid needs assessment has taken place to decide if sufficient appropriate cover can be provided for the activities which are being undertaken. First aiders rendering treatment continue to keep accurate records of who they have treated, bearing in mind the requirement to retain visitor contact information.</i></p> <p><i>First aiders assist at a safe distance from the casualty where possible and minimise the time they share a breathing zone. Where the casualty is able to, they are directed to undertake specific treatments themselves (age dependent) e.g. applying a plaster, running a burn under cold water.</i></p> <p><i>Where available, and appropriate, fluid resistant face mask, gloves, disposable plastic apron and disposable eye protection is used which should be kept in or next to first aid kits. (see FAQ document on dealing with minor accidents) [this is in line with HSE guidance]</i></p>	<p><i>L</i></p>	<p>See HSE guidance First aid during the coronavirus (COVID-19) outbreak</p> <p>Schools with early years and nursery facilities should apply the Government guidance in relation to paediatric first aid cover:</p> <p>Early years foundation stage: coronavirus disapplications - GOV.UK [see section on paediatric first aid and requalification]</p> <p>STAFF IN EACH KEY STAGE UP TO DATE WITH APPROPRIATE FIRST AID</p> <p>Office staff administer First Aid when and where possible and use</p>

			<p>CPR</p> <p><i>In respect of more serious cases where CPR may be required, the specific advice contained in the Resuscitation Council UK guidance should be followed particularly in relation to rescue breaths.</i></p> <p><i>As chest compressions could produce aerosol spray, appropriate PPE should be worn i.e. fluid resistant surgical mask, gloves and eye protection (goggles or visor). If PPE is not available, use a towel or cloth such as the sling from the first aid kit to cover the person's nose and mouth while performing chest compressions</i></p> <p><i>A first aider should conduct a dynamic risk assessment of the situation they are faced with and apply appropriate precautions for infection control.</i></p> <p><i>Further information is also contained in the Government publication: Guidance for first responders and others in close contact with symptomatic people with potential COVID-19</i></p>		<p>PPE when a safe distance cannot be maintained .</p>
<p><i>Lack of communication with staff / parents / others</i></p>	<p><i>Confusion / misinformation resulting in breakdown of arrangements.</i></p>	<p><i>H</i></p>	<p><i>Staff have been involved in the planning process for return for a wider school re-opening, including risk assessments, procedure if someone becomes symptomatic in school, policy reviews etc. These arrangements are to be kept under constant review, with staff invited to provide feedback.</i></p> <p><i>Regular information sharing and communication with staff. Use of IT software for virtual meetings, e.g., Google Hangouts.</i></p> <p><i>Parents are kept informed of changes in timings to the school day and the arrangements put in place by the school to comply with the government guidance to keep children safe. [consider methods of communication,</i></p>	<p><i>L</i></p>	<p><i>Parents have access to the Covid19 Quick Guide checker - this is available on the school's webpage and has been brought to the attention of parents. (this includes advice when returning from another Country)</i></p>

			<p>making information available on school webpage to provide assurance to parents]</p> <p>The arrangements in place for children are shared with them in an age-appropriate way.</p>		
Home working & use of Display Screen Equipment (DSE)	Musculoskeletal problems arising from incorrect postures	M	<p>NCC bulletin on homeworking and DSE use is made available to staff. This follows HSE guidance on homeworking, including the principles of good DSE use is followed.</p> <p>NCC DSE policy is available to staff.</p>	L	
<p>Uncertainty due to the unprecedented nature of the pandemic</p> <p>Maintaining staff wellbeing and mental health</p>	Stress and anxiety arising through uncertainty, lack of control and reduced contact	M	<p>Regular information sharing and communication. Use of IT software for virtual meetings, e.g. Google Hangouts.</p> <p>Shared distribution of workload, e.g. rota for staff in school and those homeworking.</p> <p>Regular communications are in place between staff and Managers. Staff also have access to all shared information/documentation. Governing Body are involved with decision making in relation to measures in place where appropriate.</p>	L	<p>Stress risk assessment reviewed.</p> <p>Education and Skills – Staff Wellbeing padlet</p> <p>Supporting Emotional and Mental Health - Information for Schools.</p> <p>Telephone support & counselling</p> <p>Wellbeing guide for staff working in schools and trusts</p>
Pupil uncertainty surrounding attendance/return to school/self isolation	Stress and anxiety impacting themselves and staff	M	<p>Good communication of Covid19 controls measures/arrangements to parents and pupils provides reassurance on attendance or return to school. [consider publishing risk assessment on school webpage]. Parents have the opportunity to discuss concerns with school staff.</p> <p>Provision of pastoral and extra-curricular activities available to all pupils designed to:</p>	L	<p>Kooth – support for young people from 11-25</p> <p>The government has launched the Wellbeing for Education Return programme, which will provide training and resources for teachers and staff in all state-funded schools to respond to the wellbeing and mental health needs of children and young people as a result of coronavirus (COVID-19). The</p>

			<ul style="list-style-type: none"> • support the rebuilding of friendships and social engagement • address and equip pupils to respond to issues linked to coronavirus (COVID-19) • support pupils with approaches to improving their physical and mental wellbeing <p>Where vulnerable pupils (such as those who have a social worker or an education health and care (EHC) plan) are required to learn from home due to restricted attendance due to an outbreak, arrangements are in place to keep in contact with them, offer pastoral support, and check they are able to access education support.</p> <p>[see government guidance for further information and apply as appropriate - record details here].</p>		<p>training provides practical examples to support staff, children and young people within a school.</p> <p>Supporting Emotional and Mental Health - Information for Schools.</p> <p>PHE offer access to a free online Psychological First Aid course that teaching staff can access. The course provides practical and emotional support to children and young people affected by emergencies or crisis situations, such as COVID.</p>
On-site vaccination programmes carried out by School Age Immunisation Service (SAIS) team	<p>Transmission of COVID-19 from/to visiting team.</p> <p>Disruption due to anti-vaccination demonstrations.</p> <p>Stress and anxiety to staff</p>	M	<p>Existing arrangements for visitors followed. All vaccination sessions are carried out by the SAIS, who have COVID-19 protective measures in place, including wearing of appropriate PPE and robust hygiene procedures.</p> <p>Immunisation team staff will liaise with schools ahead of the vaccination session(s) to agree plans/arrangements.</p> <p>In the event of a protest or disruptive activity outside the school, or if the school becomes aware that a protest is planned, they will alert the Police (if deemed appropriate), SAIS and NCC Children's Services (David Street) to discuss the best way to manage the situation.</p> <p>[Include school-specific additional controls - existing security arrangements, escalation arrangements and information sharing with the Police.]</p>	L	<p>The school follows government guidance surrounding the COVID-19 vaccination programmes for schools:</p> <p>https://www.gov.uk/government/publications/covid-19-vaccination-resources-for-schools/covid-19-vaccination-programme-for-children-and-young-people-guidance-for-schools</p>
